

Digital Menus

Your school and Lunchtime Solutions are happy to announce that we have a new look and greatly increased functionality of our on-line monthly menus web page.

To Access Your Specific Menu:

Find the link to menus on your school district website, in the usual location as before. When students or parents link to see their menus through the district website, they will now **select their school name and menu from a drop-down box**. See the example below:

The screenshot shows a web interface for selecting a school and menu. At the top, there is a grey header with the text "Your School Name". Below this, a light blue box contains the text "Welcome! It's simple to get started:". Underneath, there are two drop-down menus. The first is labeled "What is the name of your school?" and has a search box with the placeholder text "Find a school...". The second is labeled "Which menu would you like to view?" and has a search box with the placeholder text "Find a menu...". A blue "Go" button is located at the bottom right of the form.

You can also download **My School Menus Phone App** for quick and easy access to menus on-the-go.

Features of your new live, interactive menu:

- The monthly menu
- Program information and details
- Up to 180 languages translated by google translate
- Recipe details when you scroll the cursor over menu item such as
 - nutritional details
 - allergen information
 - Image or description of that recipe

The screenshot shows the My School Menus website interface. At the top, there's a 'Change School and Menu' button and a 'Select Language' dropdown. The main header displays 'March 2018' and '2018-2019 Lunch, Grades 6-8'. Below this is a navigation bar with 'today', navigation arrows, and a 'Select Month' dropdown. The menu is presented in a grid format by day of the week (Mon-Fri). A pop-up window for 'Pulled Pork Chinese Tacos with Rice' is open, showing a photo of the item and its nutritional facts: Serving Weight 35.922 g (2 tacos), Serving Size 2 tacos, Amounts Per Serving, Calories 210, Total Fat 10g (20%), Saturated Fat 4g (8%), Trans Fat 0g (0%), Cholesterol 45mg (9%), Sodium 270mg (11%), Potassium 105 (2%), Carbohydrates 10g (2%), Fiber 1g (2%), Protein 15g (30%), Iron 2mg (4%), Calcium 25mg (5%), Vitamin A 10 IU (2%), Vitamin C 0mg (0%), Vitamin D 0 (0%). Allergens are listed as Milk and Soy. The website also includes a 'Filter by Allergens' button, 'Meal Prices' (Elementary Breakfast: \$1.00, Middle/High Brkfst: \$1.85, Elementary Lunch: \$2.70, Middle/High Lunch: \$2.95), and promotional banners for 'Fruit & Veggie Super Bar' and 'Epic Meltdowns'.

Click on any menu item and see details such as nutritional values and description pops up for your review!

To help with this transition, we have gathered some **frequently asked questions** to help with the new program:

- Q. How do I access the new menus?**
Answer: You can access the new menu platform through your district website or through My School Menus App.
- Q. How do I download the My School Menus App?**
Answer: Go to the iTunes App Store or Google Play. Download the App: “My School Menus”. Select State, Districts, and School. You can also use the QR Code below.
- Q. Do I need to use a special web browser?**
Answer: Google Chrome is recommended for this platform to avoid common issues. It can be downloaded at this website: <https://www.google.com/chrome/browser/>
- Q. How can I print Menus?**
Answer: Menus can be printed directly from Google Chrome using the print tool on the right of the menu view. We have a separate instruction guide available for the printing options.
- Q. Who do I contact with questions or concerns?**
Answer: Your Foodservice Directors contact information is located to the right side of your menus. You can also call your local kitchen for contact information.

To Download Phone App: Scan here or search “My School Menus” in the app store
