Immunizations are available for children age 18 and younger through the MN Vaccines Children (VFC) program who:

- Do not have health insurance.
- Are on a Minnesota Health Care Program (MA, SCHA, MnCare)
- Are American Indian or Alaskan Native.
- Have health insurance that does not cover vaccine.
- Have health insurance with a cap on preventive care that has been met.
(Unmet deductibles do not qualify.)

AND for adults through the Un/Underinsured Adult Vaccine (UUAV) program who:

- Do not have health insurance.
- Have health insurance that does not cover one or more vaccines.
- Have health insurance with a cap on preventative care that has been met.

A fee of \$15 per dose or \$55 family maximum is requested which can be waived.

Private health insurances and Medicare cannot be billed. People with private health insurance can receive these vaccines at cost: Hepatitis B-\$50, Flu shot -\$30.

An adult must accompany children under 18 years of age. Bring an up-to-date immunization record. Immunizations given will be recorded in the Minnesota immunization registry (MIIC).
