

Did you bring your lunch?

Add a veggie, fruit and milk for **FREE!**

It's as easy as...

Even if you bring your lunch to school, you can receive fresh fruit, veggies and a milk for free at any location served by Lunchtime Solutions!

Through the end of this school year, the USDA waiver to schools for free meals also allows students who bring their own lunch to supplement it with fresh and healthy choices. All you have to do is go through the lunch line and select a fruit, a veggie and a milk!
